Dedication

Some teachers have the ability to form a lasting impression on their students not only by their teaching but also by their lessons in life. When students enter MBA in the seventh grade, they soon learn that Mrs. June Bowen requires more than the study of English grammar. She is instrumental in the process of creating young gentlemen. By teaching her students the importance of hard work and good study habits, she molds undisciplined boys into well-mannered, diligent students. The knowledge gained in Mrs. Bowen's class creates a foundation upon which the student may build throughout his high-school career. For all the knowledge and the gifts she has given, we are sincerely thankful; and for her love for the school and her concern for the students, we dedicate the 1987 BELL to Mrs. June Bowen.

Preface

Although boys have come to and gone from MBA for 120 years, each class has made its own unique contribution to the school. A class may have great scholars, athletes, actors, debators, and poets, yet all these individuals must come together to form a unified student body. Thus, the purpose of the annual not only to capture and record the individuals, but also to reflect the personality of the student body as a whole. Emphasis is placed on the particular areas that are most representative of the year and the student body. Accordingly, we hope this annual will serve as an aid to unlocking the memories of your years on The Hill and as a catalyst for thought if you find yourself in a nostalgic rage sometime in the future. We present to you the 1987 BELL.

GENTLEMAN
SCHOLAR
ATHLETE

"Oh, say can you see . . ."

Administration

Mr. Gordon Bondurant

Headmaster Gordon E. Bondurant has had a very productive year. Ever-mindful of M.B.A.'s standards in excellence, he continues to expand and improve life on the Hill. For example, in the Athletic arena, he continues to support all the sports while initiating and supporting newer sports such as swimming and hockey. He is also constantly aware of the need for student involvement in matters which pertain to the school. This awareness spurred his creation of the long-range planning committee and his allowing students to suggest uses of school funds. Mr. Bondurant was headmaster at Darlington School in Georgia before coming to M.B.A. He holds a B.A. from Davidson and a M.A. from U.T. Chattanooga.

Mr. Michael Drake

Mr. Michael Drake, a seasoned faculty member on the Hill, has been and continues to be not only a responsible administrator, but also a very popular teacher and friend to students at M.B.A. As advisor to the senior class, Mr. Drake is kept busy watching over seniors and writing college recommendations for them. Mr. Drake's wide knowledge of history and his zeal for teaching explain the popularity of his rigorous AP American History course. Because Mr. Drake is a sponsor for this year's trip to Spain, they who join him may expect a fun as well as an educational spring break. Mr. Drake, a loyal supporter of M.B.A. off campus, may be seen on campus working in his office, helping with maintenance, excitedly teaching his history class, or simply chatting with a student or faculty member. He is a graduate of the University of Virginia and of George Peabody College for Teachers, and he is working toward his Ph.D. by taking classes at Tennessee State University.

Dr. Harold Crowell

Dr. Crowell, Dean of Faculty and Students, is one of M.B.A.'s most involved teachers. Besides being the Chairman of the Science Department and a teacher of all the Physics classes, he is also the yearbook sponsor and the junior class advisor. Dr. Crowell believes that excellence is worth pursuing, even if it is not achieved. This thought, as well as other beliefs, makes him extremely valuable to the M.B.A. community. Many people admire his qualities that enable him to relate so well with students both inside and outside the classroom. Dr. Crowell received his B.S. from Louisiana Polytechnic Institute and his Ph.D. from Vanderbilt University.

Dr. G. Edward Gaffney

Dr. G. Edward Gaffney has been the head of the Junior School for eight years. He teaches Latin I in the eighth grade as well as Latin II and an AP course in the high school. He also conducts a course at Vanderbilt University where he received his B.A., M.A., and Ph.D. Dr. Gaffney's love for the classical languages has even carried him to Rome and Athens to study. His enthusiasm for teaching Latin is evident in all of his classes.

Mr. James Poston

Mr. James A. Poston, M.B.A.'s Guidance Director, plays a most important role in the lives of the students. His personal concern for the well-being of the individual makes him easy to talk to, and his flexible work schedule leaves him available for a student at all times during the day. He has also worked diligently to establish the Project 714 program at M.B.A. His dedication to the tennis program led the team to a state championship and a national recognition for his excellence in coaching. Mr. Poston received his M.A. from George Peabody College.

Mr. Laird Smith, Jr.

As Director of Buildings and Grounds, Mr. Smith can be seen everywhere from the front lawns to the basement of the gym. On campus weekdays and weekends, Mr. Smith shows his dedication to the school through everything he does. From washing walls, to mowing lawns, to leading construction, Mr. Smith, a graduate of the school, is the backbone of the maintenance of M.B.A. His job is greatly appreciated and obviously noticed through the beauty of the M.B.A. campus. Mr. Smith is a graduate of Vanderbilt University.

Mr. John Bennett

A member of M.B.A.'s administration for 24 years, Mr. Bennett has become an essential member of life on the Hill. Mr. Bennett has taught virtually every math course, coached baseball for 18 years, coached basketball for 14 years, and is currently the Director of Athletics. He is also a sponsor for the Service Club. This dedication to M.B.A. by Mr. Bennett, who describes himself as "low key," was best shown when he said, "I can't think of any other school that I'd rather teach and coach at with the fine young men, and that's the truth."

Mrs. Mary Comfort Stevens

Having served as the college counselor at Phillips Academy in Andover, Massachusetts for at least six years, Mrs. Stevens moved to Nashville to fill the spot of college counselling. After growing up in Pennsylvania, she went to Mt. Holyoke College where she received her B.A. She then went on to work at Andover before coming to M.B.A. In the past few years Mrs. Stevens has visited many universities across the country in order to advise students more effectively to the most appropriate college for them. Mrs. Stevens must keep a constant watch on the seniors to check their progress in the application process. After her first year at M.B.A., Mrs. Stevens says that she really enjoyed the students with whom she has worked. She also comments, "Sometimes, I feel like my office is Grand Central Station. But I love it!"

Office Staff

Mrs. Garriott

The office staff is the foundation upon which the school relies for its daily needs. Mrs. Sowell serves as the Office Manager and Book-keeper, replacing Mrs. Liles who retired from full-time work but remains a vital part of the staff in her part-time duties. Mrs. Garriott serves as a secretary to both Mr. Bondurant and Mr. Drake, while Mrs. Bradshaw answers the phone, runs the bookstore, and assists the students and faculty alike. Mrs. Morrissey serves as the receptionist and secretary of the Junior School. This dedicated group of women, who frequently go beyond the call of duty to help students, is a valuable asset to the school.

Mrs. Liles

Mrs. Sowell

Mrs. Bradshaw

Mrs. Morrissey

Dr. Wayne Batton

English I, English IV; Sponsor to Archives: Ph.D., Vanderbilt, M.A.; B.A., University of Wyoming

Mr. Jim Bostick

Algebra II (H), Computer Science; Varsity Basketball, Varsity Soccer; B.S., Auburn University; M.S., University of North Carolina

Mrs. June Bowen

English 7th; 7th Grade Advisor; B.A., Baylor University; M.A., George Peabody College

Mrs. Jeannine Bowers

French I, French IV (AP); DES, University of Nancy, France

Mr. Michael Caldwell

College Algebra (H), Calculus BC, Calculus/Statistics; Sophomore Class Sponsor; Varsity Golf, Varsity Track; B.E., Vanderbilt; M.A., Peabody

Mrs. Anne Christeson

English I, English II; Sponsor to ARCHIVES; B.A., Vanderbilt; M.S., University of Tennessee

Mr. William Compton

College Algebra, Calculus AB, Computer; Freshman Football, Varsity Track; B.S., Davidson College; M.A.T., Duke University

Mr. Floyd Elliott

Pre-Algebra, College Algebra; Varsity Football; B.S., Tennessee Tech

Mr. Mark Elliott

American History (AP), American Government (AP)/Economics; Varsity Basketball, Varsity Baseball; B.A., Vanderbilt University

Mr. John Friday

Latin I, Latin II; Varsity Wrestling, Microbe Football; B.A., Vanderbilt

Mr. Anderson Gaither

Latin I, II, and III; Microbe Football, Microbe Wrestling, Microbe Track; B.A., M.A., University of Tennessee

Mrs. Carole Hagen

Latin I, Latin II; B.A. University of Kentucky

Mr. Dan Herring

Modern History (AP), American History (AP), Ancient and Medieval History (AP), Comparative Governments (AP); Freshman Class Advisor; Freshman Football; B.A., Carson-Newman, M.A., University of Tennessee

Mrs. Virginia Hollins

French II (H), French III (H); Chairman of Foreign Language Department; Sophomore Class Sponsor; Totomoi Advisor; B.A., Duke University

Mr. Henry Hopping

Eighth Grade Word Wealth; Microbe Football, Microbe Basketball, Varsity Baseball; B.A., University of the South

Mr. Luther Killian

Pre-Algebra, Algebra I; Microbe Football, Microbe and Varsity Wrestling; B.S., University of Tennessee at Chattanooga, M.Ed., Georgia State University

Mr. John Lanier

Geometry (H), Algebra II; Sophomore Class Sponsor; Microbe Soccer, Varsity Soccer; B.S., Vanderbilt

Mrs. Cameron Lanphier

Pre-Algebra, Algebra I; Microbe Tennis; B.A., Williams College

Mr. Brad Leach

Earth Science; Chess Club Sponsor; Microbe Soccer, Varsity Soccer; B.A., The College of Wooster, M.A., Vanderbilt

Mrs. Mary Helen Lowry

English IV (AP); Senior Class Advisor; Chairman of the English Department; B.A., M.A., Vanderbilt

Ms. Isabelle Marti

French I, French II, Spanish II; B.A., Nantes University, Sewanee University

Mrs. Sue Miller
Assistant Librarian; B.A.,
Westman College

Mr. Tom Moore
Seventh Grade History;
Freshman Class Sponsor,
Service Club Sponsor; Varsity
Football, J.V. Basketball;
B.A., Vanderbilt

Dr. Jon Neergaard
Chemistry (H), Chem.-Phys.;
Chemistry, Chemistry (H),
Head Video Technician for
Athletics; B.S., Washington
and Lee University, Ph.D.,
University of Virginia

Dr. Christian Niemeyer
English II, III, III (H); Advi-
sor to the BELL RINGER;
B.A., Notre Dame Universi-
ty, Ph.D., Vanderbilt

Mr. Frank Novak
Seventh Grade Science; Mi-
crobe Cross Country, 7th
Grade IC, Microbe Softball;
B.A., M.A., Peabody, Van-
derbilt

Mrs. Ann Orth
English II, III; Junior Class
Sponsor; B.A., Brown Uni-
versity, M.A.T., Vanderbilt

Mr. Tommy Owen
Modern History; Varsity
Football, Varsity Track;
B.A., Vanderbilt, M.A., Uni-
versity of Kentucky

Mrs. Jo Norris Palmore
English I, II, II (H); Junior
Class Sponsor; B.A., M.S.,
University of Tennessee

Mr. Robert Pruitt
Biology, Chem.-Phys.; Varsi-
ty Cross Country, Varsity
Track; B.A., Vanderbilt,
M.S., Tennessee State Uni-
versity

Mr. Damon Regen
Geometry, College Algebra,
Calc./Stat.; Varsity Football,
Strength Coach, Microbe
Baseball; Freshman Class
Sponsor; B.E., Vanderbilt

Mrs. Mary Louise Shell
Eighth Grade English; Vir-
ginia Intermont College,
B.S., East Tennessee State
University

Mrs. Mildred Simmons
Librarian; B.A., Cumberland
University, M.L.S., Peabody
College

Dr. Alice Springer
Spanish I, II, III, IV AP; B.A.,
Eckerd College, M.A.T.,
M.A., Ph.D., Vanderbilt

Mrs. Carol Steele
Seventh Grade Word
Wealth; B.S., Middle Ten-
nessee State University, B.S.,
University of Tennessee at
Nashville

Dr. Nancye Thomas

Chemistry, Chemistry AP; Sophomore Class Sponsor; Big Red Club Sponsor; B.S., Lambuth College, Ph.D., Vanderbilt

Mr. William Tate

Speech; Forensics and Debate Coach; Quiz Bowl Sponsor; B.A., University of Alabama

Dr. Porter Ward

Biology (H), Biology AP; Microbe Cross Country; B.S., M.S., Peabody, Ph.D., Mississippi State University

Mr. James Womack

Art History AP, Studio Art; CPR; Outing Club Sponsor; B.A., Davidson College, M.A., Virginia Commonwealth University

Dr. Harold Whiteman

Mrs. Ruth Napier

The Development Office

For a second year, the Development and Alumni Affairs Office has been making plans to organize an alumni committee. Aided by Mrs. Ruth Napier, secretary to the development office, Dr. Harold Whiteman has planned many new and interesting long-term plans for alumni support as well as fundraising. Dr. Whiteman has created a new alumni directory of all existing alumni, and he is going to publish an alumni magazine. The class of 1986 has already had a successful reunion. More such meetings are planned for this class, and this tradition is likely to continue with future classes. Generally, this program has provided and will provide an enjoyable way not only to maintain relations with the school but also to provide a new method for fundraising on a long-term basis.

Board of Trust

Chris Burch and Mr. Bondurant welcome Mr. Cummings and other Trustees to the campus.

The history of The Board of Trustees is closely linked with the history of M.B.A. itself. When M.B.A. was still Cumberland College, some outstanding trustees were Andrew Jackson, James K. Polk, and Andrew Johnson. Later, Board member Dempsey Weaver invested the money left by Montgomery Bell and used it to open Montgomery Bell Academy. During the late 1880's, The Trustees refused to allow M.B.A. to be taken over by the larger Peabody College. In 1911, Board member Judge Robert Ewing brought Mr. Issac Ball to M.B.A. as the new Headmaster. Under Ball's guidance, The Board arranged for the purchase of a thirty-two acre home to provide for future expansion. After the disastrous fire of 1925, The Trustees struggled to rebuild the school. In 1956, The Board of Trust, under President Mr. John Sloan, embarked on a rebuilding program, which saw the completion of the Brownlee O. Currey Gymnasium and the renovation of Wallace Hall. Other trustee gifts or trustee-aided buildings include The Patrick Wilson Library and a Fine Arts Building.

Even today The Montgomery Bell Academy Board of Trustees is responsible for the overall policies of the school, and the 1986-1987 year has been a particularly busy one for them. The primary responsibility of the Board of Trustees is to insure the financial strength of the institution. Therefore, the Trustees and the Headmaster developed the school budget and set a sound investment policy for the school's endowment. As a result, in the 1986-1987 academic year, approximately \$800 of each student's costs were borne by the school's endowment. This is made possible by Trustee gifts and investments.

Last year, the Trustees approved the employment of a Director of Development and Alumni Affairs. This department permits the school to communicate more frequently with alumni. Therefore, an annual giving program was approved and initiated in 1986-1987.

As far as the appropriation of specific funds goes, the Trustees approved the expenditure of funds for many improvements, including the impressive new lights on the front of the Ball Building. Finally, the Trustees are responsible for the school's long-range planning and have initiated a process to plan for the future of the school.

"The man who follows the crowd, will get no further than the crowd, but the man who walks alone, is likely to find himself in places no other man has been. Creativity in living is not without its attendant difficulty, for particularity breeds content. You have two choices in life: you can dissolve into the mainstream, or you can be different. To be different, you must be distinct, and to be distinct, you must be what no one else can be, but you."

Jarratt Claiborne Gayden

Reading departure signs in some big airport
Reminds me of the places I've been.
Visions of good times have brought so much pleasure
Makes me want to go back again.
Yesterday's over my shoulder
So I can't look back for too long.
There's just too much to see waiting in front of me.
And I know that I just can't go wrong.

Homecoming

MBA Spaghetti Supper Mothers and cheerleaders entertain an excited assembly.

1986 Homecoming court

Bill Hitt and cheerleaders incite the crowd at the Homecoming game.

Varsity Football

There were many questions as to how good the 1986 team would be. Many thought it would be a mediocre season for the Big Red, but this team refused to listen to others' opinions. Losing 20 starters off the 1985 team, the Big Red was predicted to finish fourth in the district 11-AAA race. The predictors based their opinion of the Big Red on the teams' lack of size and experience, but what they failed to look at was the team's character and their burning desire to win. The Big Red would go on to prove many wrong and finish the season with a successful 8-4 record, win the 11-AAA District Championship for the second year in a row, and make it to the second round of the State Playoffs.

M.B.A. . . . 7 TULLAHOMA . . . 6

Any coach will tell you that the offense is important, but it's the defense that wins football games. Nothing could have been closer to the truth in the Big Red's opening game at home on August 29. The game proved to be a defensive struggle all four quarters. M.B.A. struck first on a 13 yard touchdown pass from quarterback Tommy Frist to Trey Spence. Jeff Owen's P.A.T. was good and would prove to be crucial later in the game. Tullahoma scored later in the game, but was unable to convert the extra point. The defensive line, led by Fitzpatrick, Bumstead, and Boone, played excellently and helped shutdown Tullahoma back Maurice Shaw, as well.

M.B.A. . . . 20 ANTIOCH . . . 0

"We're not playing very aggressive football. Not on offense and not on defense," said Coach Owen after reviewing the Tullahoma game. The Big Red travelled out to Blue Hole Rd. for their first district game of the season. On fourth down of M.B.A.'s first possession Shawn Malone fumbled Jeff Owen's punt. Johnny Thompson recovered Malone's fumble which put the Big Red in good field position. M.B.A. took advantage of the situation as tailback Meyer culminated the drive with a 7 yard touchdown run. Owen converted the extra point to give the Big Red an early 7-0 lead. Quarterback Frist swept around the right for 19 yards and M.B.A.'s second touchdown. Owen's P.A.T. was good to make it 14-0 at the half. In the third quarter Mike Morrissey intercepted a pass and returned it 26 yards to set up M.B.A.'s final score. It came on a 23 yard pass from Frist to wingback David Spickard. A dominating defense led by linebacker Marc Smith held Antioch's Shawn Malone to only 40 yards on 22 attempts.

M.B.A. . . . 27 BEECH . . . 24

M.B.A. wide receiver and defensive back coach Tom Moore was coaching against his own father, Beech head coach Hershel Moore. Those who were around Coach Moore during the week could tell that he wanted to win this game very much. Beech scored twice on the Big Red to take a 14-0 halftime lead. The brightest moment during the first half was a spectacular punt return by Steven Hooper. Although down 14-0, the Big Red came into the second half fired up. Frist led a powerful offensive drive down the field and scored from the 1 yard line. Owen added the P.A.T. which made the score 14-7 Beech. After a Beech fumble, Frist took charge again. This time, Frist ran the ball in from 4 yards out. After Owen's conversion, the score was 14 all. In the fourth quarter, Frist connected with tight end Spence for a T.D. Owen's extra point went sailing through the uprights which made it 21-14 M.B.A. The Buccaneers refused to give up and added 7 to their score which sent the game into overtime. In overtime Beech received the ball first and was able to kick a field goal on fourth down to go up by 3 points. Now it became M.B.A.'s turn. After three attempts to score, the Big Red came up short, but on fourth and goal from the 1 yard line, Frist took it in for the game winning touchdown behind the mighty offensive line of Sullivan, Hamling, Downey, Boone, and Bumstead. Frist finished the night with 98 yards rushing on 17 carries and 3 touchdowns. Cornerback Steven Hooper played a super game defensively.

M.B.A. . . . 21 HILLWOOD . . . 0

Returning to district play, the Big Red faced neighborhood foe Hillwood at home on September 19. After a slow start, tailback Will Meyer dove into the endzone from 2 yards out. Owen's P.A.T. made the score 7-0 in favor of the Big Red. The Big Red made the score 14-0 before the half with Frist running in from the 12 yard line and Owen adding the extra point. The final touchdown came in the third quarter on a 21 yard pass from Frist to split end Chris Burch. Owen's P.A.T. was successful and the final score was 21-0 M.B.A. Defensive ends Thompson and Carney played very well, as did the whole defensive secondary. The M.B.A. defense held the Hilltoppers to only 1 first down the entire game.

DICKSON COUNTY . . . 21 M.B.A. . . . 14

The Big Red travelled to Dickson County hoping to improve on their unbeaten record of 4 wins and 0 losses, but it was not meant to be. The Cougars had their own 4-0 record to protect, and they did. By kick-off time the Dickson County field was very muddy and slippery because of a thunderstorm which lasted about an hour and a half and died down during pre-game warmups. The Big Red fumbled the wet ball on its first possession at their own 36 yard line. Dickson County took advantage of the good field position and scored first. Dickson County struck again, this time on a 52 yard punt return. The score was now 14-0 in the Cougars' favor. In the second quarter the Big Red got rolling as Tommy Frist connected with Jeff Owen for a touchdown. The P.A.T. was good. Dickson County answered the Big Red touchdown. A Cougar back saw daylight and sprinted for a 79 yard touchdown. The score at the half was 21-7 Dickson County. After a scoreless third quarter, M.B.A. took advantage of a Dickson County fumble and drove 24 yards on 7 plays as Frist dove into the endzone from the 1 yard line. Jeff Owen's conversion made the final score 21-14 Dickson County.

M.B.A. . . . 27 PEARL/COHN . . . 0

M.B.A. returned to district action on October 3 hosting Pearl/Cohn. Michael McNally recovered a Firebird fumble on Pearl/Cohn's first possession. The Big Red's first score came on a 37 yard field goal by Jeff Owen. Free safety David Spickard made an interception and ran the ball back 40 yards to set up a 33 yard touchdown pass from Frist to Owen. After Owen's conversion the score read 10-0 M.B.A. After a penalty-plagued first half, Owen began the scoring in the second half with a 20 yard field goal. On M.B.A.'s next possession, tight end Demetri Patikas made an excellent reception to the 17 yard line. Will Meyer ran 15 yards for a touchdown. After Owen's conversion the score was 20-0 in favor of the Big Red. In the fourth quarter, fullback Clay Trabue plunged across the goal line from 1 yard out. Kurt Gilliland's P.A.T. made the final score 27-0.

M.B.A. . . . 38 GLENCLIFF . . . 7

It was a homecoming to remember. After the coin toss, the Big Red struck first on a 39 yard touchdown pass from Frist to David Spickard. Owen's P.A.T. was good and the score was 7-0. Marc Smith made an interception to set up M.B.A.'s second score which came on a 34 yard trick-play pass from Owen to Demetri Patikas. Owen's conversion split the uprights and the score was 14-0. Mike Monissey made an interception to set up M.B.A.'s third touchdown which came on a 7 yard run by Will Meyer. After Owen's conversion the score was 21-0. After the half, Frist scored a touchdown from 17 yards. Owen's conversion made the score 28-0. Frist scored again, this time sneaking through the middle from 3 yards out. In the fourth quarter, back-up quarterback Drew Robinson drove the Big Red into field goal range and Kurt Gilliland kicked a 21 yard field goal to make the score 38-0. Glencliff managed to score a touchdown in the final minutes of the game to make the final score 38-7 M.B.A. The M.B.A. defense, led by Marc Smith, played an excellent game.

HILLSBORO . . . 21 M.B.A. . . . 10

It was Hillsboro's homecoming. While many Hillsboro students were busy decorating their campus with balloons and streamers, others felt it would only be fair to decorate M.B.A.'s campus as well. During the week before the game, they chose to decorate the M.B.A. campus—not with balloons and streamers, but with toilet paper and paint. On Friday night, the Burros struck again, but this time on the gridiron. Hillsboro scored first, but Jeff Owen answered with a 23 yard field goal to make the score 7-3 Hillsboro. Soon after, Frist ran 4 yards for the Big Red's second score. After Owen's P.A.T. the score was 10-7 M.B.A. In the second half, Hillsboro rolled up 14 more points while M.B.A. was unable to score. The game ended with Hillsboro on top 21-10.

FATHER RYAN ... 3 M.B.A. ... 0

On October 24, M.B.A. took on archrival Father Ryan at Vanderbilt. It was a very cold evening and an all-day drizzle had turned into a heavy downpour by game time. The heavy rain and the water-logged turf made it practically impossible for both teams' offenses to perform up to par. In the first quarter, Trajan Carney recovered a Ryan fumble in the end zone, but a referee ruled that the ball was dead before Carney recovered it. The game remained scoreless until the fourth quarter when Ryan's Chris Russ kicked a 27 yard field goal with 20 seconds remaining on the clock.

M.B.A. ... 21 OVERTON ... 7

On October 31 M.B.A. hosted Overton in a crucial district game. M.B.A. needed the victory to clinch the 11-AAA district title and gain a play-off berth. A loss would knock the Big Red out of the play-off picture and give Overton the district title. Frist connected with David Spickard for a 57-yard touchdown play. Owen's P.A.T. was good making the score 7-0 M.B.A. In the second quarter, Frist dove in from one yard out and Owen was successful on the point after to make the score 14-0. The third touchdown came on a 2 yard dive by Frist in the fourth quarter. Owen's extra point split the uprights to make the score 21-0. Overton scored its lone touchdown of the game in the fourth quarter, making the final score 21-7. Marc Smith rushed for 117 yards on 16 carries and Frist passed for 146 yards. The offensive line of Boone, Bumstead, Downey, Hamling, Fitzpatrick, and Sullivan blocked well the entire evening.

M.B.A. . . . 10 STRATFORD . . . 6

In the first round of the TSSAA state playoffs, M.B.A. faced the district 12-AAA runner-up Stratford at home. Marc Smith took a pitch from Tommy Frist and ran 38 yards for the game's first touchdown. Owen added the P.A.T. to make the score 7-0 M.B.A. In the second quarter, Owen kicked a 36 yard field goal. Stratford scored on a 15 yard touchdown, but was unable to convert on the point after. Because of a scoreless second half, the final score was M.B.A. 10 and Stratford 6. Unfortunately for the Big Red, leading tackler Marc Smith was forced to end his season early because of a shoulder injury.

GALLATIN . . . 20 M.B.A. . . . 7

For the second straight year, M.B.A. faced Gallatin in the second round of the playoffs. And for the second straight year, Gallatin came out on top. The Big Red scored first on a 6 yard pass from Frist to tight end Patikas. Owen's P.A.T. made the score 7-0 M.B.A. Late in the second quarter, the Green Wave scored on a 2 yard dive to make the score 7-7 at the half. In the third quarter, Gallatin tailback Joe Tally broke loose on a 45 yard touchdown run to make the score 14-7 Gallatin. On the first play after the kickoff the Big Red struck back on a beautiful 48 yard touchdown pass from Frist to Owen. Unfortunately the play was called back due to an illegal procedure penalty. The official's call was questionable because Owen had checked with the line judge before the play began and the official signaled Owen's positioning to be O.K. The Green Wave dominated the second half and went on to win 20-7.

J.V. Football

This year's J.V. record hardly reflects the talent and success of the team. The J.V. finished the season with a 3-2 record. On September 8, the Big Red rallied to its first victory by stomping Antioch 25-0 at home. Demetri Patikas and Mike Morrissey both scored on TD passes from Sophomore quarterback Drew Robison, who also ran for 2 touchdowns on his own. The following Monday, M.B.A. crushed the Irish of Elliston Place 17-0. Demetri Patikas scored 2 touchdowns, and Jamie Cheek added 3 points with a field goal. Chris Hall had a great day rushing, and Jim Abernathy made a crucial fumble recovery for the Big Red. On September 22, the Big Red traveled to Hillwood where the desert-like atmosphere and a Hillwood "Varsity/J.V." proved to be too much for the Big Red. Emmett Russell had a good game, and Sheldon Griffin blocked a P.A.T., but M.B.A. lost 20-0. On September 29, the M.B.A. J.V. took an hour-long bus ride to Dickson County where the J.V. defense played a tremendous game. Key players were Andrew Bond, Gilbert Smith, Chris Hall, and Emmett Russell. Penalties plagued the Big Red J.V., allowing Dickson County to come out on top 6-0. The final game of the season was definitely the best as the J.V. defeated the ominous firebirds of Pearl-Cohn 42-12. Emmett Russell, Chris Hall (2 TD's), and Drew Robison all scored. The defense played tough and picked off 3 pass attempts. Fumble recoveries were had by Ben Tate and David Kerr, both for touchdowns. The Pearl-Cohn game truly showed the J.V.'s grid-iron prowess. The line was anchored by the blocking skills of Wendell Harmer, Mike Poe, Bob Napier, David Frederickson, and Mike Seshul.

Freshman Football

The 1986 Freshman team completed a successful season by compiling a 4-3 record. These twenty-two young men began their quest to win the district title by hosting Apollo Jr. High. The Freshmen overcame an early deficit to defeat the tough Apollo team. The next challenge for the Big Red was the Overton Bobcats. Billy Crawford's TD pass to Billy Lyell and Alden Smith's TD run proved to be more than enough in a 14-0 shutout. The Frosh took their 2-0 record to Maplewood. A tough, swarming defense as well as Billy Crawford's 3 TD passes led the freshmen to a 34-6 rout. The freshmen then traveled to Hillsboro where a poorly played first half led to their first loss, 14-7. In their 2nd consecutive away game, another poorly played first half led to their 2nd defeat, this time to Hillwood. Unfortunately, the Big Red continued their losing streak as they lost to Glencliff 14-8 in a game which every team member felt they should have won. Finally, the Big Red returned home to conclude their season against arch-rival Father Ryan. With a chance to end the season with a winning record, they were all very enthusiastic. Alden Smith's two TD runs led the way in a 32-0 romp over the Irish. Also scoring were Billy Lyell, Dan Brooks, and Scott Burrow who scored on an amazing interception return. Billy Crawford, Billy Lyell, Alden Smith, Dan Brooks, and Matt Fisher performed well on offense, while the defense was anchored by Renard Francois, George Clements, Alan Hunt, John Bass, and Stuart Towery. Through the patience of coaches Hopping, Herring, and Compton, several good football players emerged who should contribute to the Varsity.

Microbe Football

The 1986 Microbe Football team had a very successful season, compiling a 7-1 record. With the help of coaches Gaither, Killian, and Friday, new head coach David Pack added amazing spice to the Little Red offense.

The first game was at Page. Exceptional offensive performances by quarterback Tate McDaniel and wide receiver Alex Waddey contributed to a 30-0 rout of the Panthers. The next week, the squad traveled to Ezell Harding and destroyed the Eagles 24-6 with an outstanding offensive performance by Jay Carlisle. The third game was a 36-16 victory at Goodpasture which kept the Little Red undefeated. The Microbes then went into their home opener facing the traditional rival: the Ensworth Tigers. M.B.A. proved their superiority as Glenn Harris at tail back and Walter Southwood at tight end led the Little Red to a 34-14 win. Playing at Northside, the Little Red offense once again proved to be brilliant as they romped the Vikings 30-6, with an exceptional game by fullback Chris Vlahos. The next game was M.B.A.'s only loss. The over-sized Brentwood Academy Eagles came to M.B.A. and won 22-20. This was perhaps the Little Red's best effort of the season in spite of their loss. With less than 3 minutes remaining in the game and down 22-14, the Microbes had the ball on their own $\frac{1}{2}$ yard line. Quarterback Tate McDaniel on a trick pass play found Alex Waddey wide open and hit him for a 99 $\frac{1}{2}$ yard TD! Unfortunately, they were unable to make the 2 point conversion, and Brentwood came out on top. The last two games were victories over B.G.A. (36-6) and St. Vincent (36-6). Michael Brooks and Will Shuff had tremendous offensive seasons, and all of M.B.A.'s points are due in part to the offensive line of Bo Bartholomew, Graham McRedmond, Richard Cummings, Will Chapman, and Chip Ward.

Cross Country

This 1986 Cross-Country team started off with great expectations as a result of the number of talented and experienced runners returning from last year. Coaches and runners alike said, "This was to be M.B.A.'s year."

The team started running in August under Belle Meade's blistering sun. Then, the runners set off for Coach Pruitt's world-renowned, first-annual M.B.A. Cross-Country Camp located in the deep wilderness known as Boxwell Reservation. A resounding knock came early every morning from the blonde, wooly mammoth known as Coach P. The Big Red tortured their bodies by running twice daily over various roads, paths, and hills of the reservation. The camp prepared each runner's body, and the team emerged in top form for their first race.

The team received its first taste of competition in September against Hillwood. After an easy defeat of the Hilltoppers, the team next met Brentwood Academy and Father Ryan. This was the very first race on the redesigned and challenging steeplechase course. As a result of Steve Zibas' inability to follow the easily marked course, Andy "Kirbo" Davis won the race and defeated Brentwood Academy's eventual regional champ and 3rd place medalist in the State. Davis also established the first course record on the new course. The first major meet on M.B.A.'s agenda was the Antioch Invitational on the Steeplechase course. Powerhouses from Georgia, Alabama, Kentucky, Mississippi, and Tennessee attended, making this meet the biggest one in the state. M.B.A. placed fourth out of 35 teams, and the Big Red was the 2nd finisher from the Volunteer State. The seven runners composing the Varsity team for this and for most of the other major meets were Steve Zibas, Andy Davis, Jimmy Zibas, Tom Humphreys, Jonathan Cole, Jay Knowles, and Lanson Hyde. The following week the team entered the A.F. Bridges Invitational which boasted the best teams from within the state. M.B.A. outran all other teams except for powerful Chattanooga Baylor. The Baylor team continued to be a nemesis for the Big Red throughout the season.

The top 14 for the Big Red the roadtripped to Lexington, Kentucky for the Lexington Catholic Invitational. After an eventful night at the Best Western Motel, the Big Red brought the immortal words of Caesar "Veni, Vidi, Vinci" to life. In the J.V. Race, M.B.A.'s "B" team placed fourth, led by Jay Knowles. The M.B.A. Cross-Country team then won their first major invitational ever with the Big Red placing a convincing first in the Class A division with only 101 points—97 ahead of the second place team. M.B.A. runners winning individual trophies were S. Zibas, Davis, and J. Zibas. Humphreys, Cole, Hyde, and Jay Riven rounded out the championship top seven.

The team then traveled to the hills of Dickson County. M.B.A. conquered the cougars on their home course, and this victory firmly established M.B.A. as the top mid-state team. In the Metro Classic, the city championship, the Big Red wanted to avenge last year's dramatic loss. M.B.A. soundly defeated all the other teams in the city. The J.V. accepted the championship trophy for the "B-Team" race and also accepted the 2nd place trophy for the dual meet season because they ran as M.B.A.'s Varsity team against other schools' top seven. In the Varsity race, runners receiving individual trophies were S. Zibas, Davis, J. Zibas, Humphreys, Cole, and Hyde.

M.B.A. once again won the region for the sixth year in a row. Steve Zibas won his second individual regional title in three years and clinched the Metro-Runner of the year Award. M.B.A. qualified for the state meet for the seventh year in a row breaking the T.S.S.A.A. record for consecutive appearances in the state.

M.B.A. entered the state meet with high hopes of bringing a state championship home to the Hill, but it was not to be as M.B.A. finished 7th for the second straight year. Finally, M.B.A. distinguished itself in post season recognition by having Steve Zibas, Andy Davis, and Jimmy Zibas on the All-Nashville first-team and Tom Humphreys and Jonathan Cole on the second team. Overall, this M.B.A. Cross-Country team was the most successful ever from the Hill by bringing home a trophy from every major meet, by equalling the best finish in the state meet with a 7th place, and by having 150 wins and 11 losses.

Microbe Cross Country

The Microbe Cross Country Team coached by Mr. Novak and Dr. Ward began its season on September 11 with a first place finish over Brentwood Academy and Ensworth. They went on to finish the season with three first place finishes, two second place finishes, and a third place finish in the H.V.A.C. Championship meet. Out of the 50 boys on the team, eighty percent qualified for a certificate by running in at least 3 of the 6 meets. The top runner was Casey Jones who finished first for M.B.A. in every $\frac{1}{2}$ mile run. Other contributing eighth graders were David Hayes and Cabot Hyde. Seventh graders Chris Bynum and Justin Crosslin finished in the top five all season and will help the team next year. Even though the team is losing most of its runners, the prospects for next year's team are very promising.

Varsity Golf

Will tries to blast a shot from the rough as his opponent looks on with a sinister smile.

Westermann rockets one down the fairway at the beautiful McCabe golf course.

McKnight tees off on his way to another glorious day of golf at McCabe.

VARSITY GOLF

The 1986-87 Varsity Golf team began the year with very high expectations of having an excellent year. The team started off well with a victory over Overton shooting a three-over par total of 147 which would prove to be the team's best total of the year. This year's team compiled a regular season record of 19-2 as eleven different people represented MBA in matches. The top five players who would represent the team in the post-season play were juniors Michael Shears, Jay McKnight, and Brannan Atkinson, as well as sophomores Rhoads Hall and Steve Matthews, who was the alternate player. The team began their quest for the state title with a win in the district tournament defeating its closest competitor, Hillsboro, by 49 strokes. Michael Shears led the Big Red with an even par score of 72, which was good enough for low individual honors. Hall and Atkinson followed with 74's and McKnight shot a 76 for a team total of 296. The following week, the team went to the region where the Big Red defeated McGavock by 17 strokes. Individual scores were Shears with a 73, McKnight and Hall with 75's, and Atkinson with a 79. The next week, the team traveled to Henry Horton State Park for the State Tournament. The team struggled to shoot a total of 316 on the first which placed MBA in a tie for third place. The next day proved to be better for the Big Red as Jay McKnight shot an even par 72 and Brannan Atkinson shot a 76, but the team could not improve its position and finished tied for third. Jay McKnight's round left him in a tie for fifth place individually. The Big Red Golf Team should make another run at the state title next year as all of the top five players are returning.

Winter

The M.B.A. student: Gentleman . . . Scholar . . . Powerfeeder

Chris Burch epitomizes the conscientious student.

For the 19th time, it's pass 5 or no play.

VARSITY BASKETBALL

The 1986-87 Varsity Basketball team began the year with apprehension about the season to come. The team fielded only three seniors but also held nine juniors who proved invaluable as support off the bench. The team started the year rather slowly by not winning many of its first ten games. But, as all good ones do, the team became a unit and began winning. The team was led by captains Charles Mayes and Jay Stroman. Tim Hamling also provided invaluable leadership as a senior. The turnabout of the team's fortune came on the trip to Atlanta during Thanksgiving. Though they lost to Marist, the team rebounded, scored fifty points in on half, and trounced Westminster. The team then returned to Nashville with a rejuvenated spirit.

Spick's lack of deodorant thwarts off a Spartan defender

The magic of Brad Reese's disco haircut once again stuns the Spartan defenders

The rejuvenated spirit carried the team to higher heights. Against Stratford, one of the teams considered for the state title, the Big Red almost pulled an upset. This game was marred by controversy as Charles Mayes was seemingly fouled on a last-second shot that would have won the game. The Big Red then pulled one of its upsets on the year. Brad Reese hit a last second shot from the top of the key to ice a victory against Dobyns-Bennett of Kingsport. The team's next great victory was the rout of BGA. Ahead by about twenty at the half, the Big Red went on to win the game by some forty-five points.

"Hey, buhbabeesubhuddhahuddhabuhey, main."

On the final game of the year, the Big Red defeated Overton for the second time and took second place in the regular season District 11-AAA standings. The team then defeated Overton a third time in the semifinals of the post-season District tournament, but ultimately lost to Glencliff in the finals. The Big Red won its first round game against Hunters Lane in the region tournament and faced Maplewood in the semifinals. It was do or die for the team. In the game, easily the most emotionally exciting and draining game of the year, the Big Red beat Maplewood in double overtime on a fifteen-foot shot by Charles Mayes. The Big Red then lost to Stratford in the region finals but still got to play Gallatin in the sub-state.

Once again, the eloquence of Charles, "Hey buddha, buddha, hey, muhmainbuhaha, hey."

By winning the Maplewood game and placing second in the region, the 1987 basketball team became the most successful in MBA history. Against Gallatin, the team, without David Spickard, who had broken his hand, could not control the Gallatin offense and lost the game by a mere three points. Overall, the varsity team showed soul and determination by taking itself farther than any MBA team and establishing a goal for other teams to shoot at.

Mo's dance routine stuns the crowd as an astounded Spartan defender looks on

Coach Elliott directs the team during a timeout.

JV Basketball

Though its record did not reflect greatness, the 5-14 JV Basketball team members gained playing experience to help them in the next few years. The team consisted of six juniors, four from the varsity, and nine sophomores.

The team won games against Hunters Lane, BGA, Antioch, Glenclyff, and McGavock. Intermingled in these five victories were two seven-game losing streaks. Coach Tom Moore directed the team from the bench. The purpose of a JV team is to provide playing experience for those who are not yet on the varsity team; and, from the looks of their progress, these will provide support for the varsity in the future.

Henderson Kelley proves his passion for helium as he floats across the floor.

Freshman Basketball

The 1986-87 Freshman basketball finished a disappointing 3-12. The willing and often out-sized squad was consistent in one aspect, improvement. The team started the season 0-5 before taking apart Maplewood 40-23, which can be credited to defensive efforts, and, of all things, the fast break. The resurgent Frosh next stopped Ryan to become 2-2 in the district. Again, defense was the key to the 40-25 victory as the Frosh held the Irish to two second quarter points and four fourth quarter points. The Frosh lost the rest of the regular season games except for a thrashing of Martin Luther King. The high note of this season was giving undefeated Whites Creek a scare before falling in the fourth quarter. The Frosh headed to Glencliff for the district tournament on February 2, with hopes of gaining the respect of a district that wrote them off earlier. The improved Frosh became the sleeper of the tournament. They turned on the defense to bring down Ryan in the opening round with an overtime win. Down by as much as 8 points, Matt Fisher took charge in the fourth to put M.B.A. up with 1 minute to go. In overtime, Jay Ferguson hit two pressure free throws to give the Big Red the lead. Rob Murphy grabbed the rebound from a last second Ryan shot, and M.B.A. won 33-30. Next, the Frosh put their defense against the number one seed of the tournament, Glencliff. The vicious defense left M.B.A. up 20-6 at half. However, the Colts pressed the smaller Frosh into a deceptively close 50-40 loss to end the season for the Big Red.

The scoring duties were taken upon for the most part by Richard Arendale, Matt Fisher, and, assist leader, Alden Smith. Rob Murphy and Matt Fisher controlled the boards with help from Jay Ferguson. Bench depth consisted of Andrew Coulam, Jay Gilliland, Brandon Daniell, and Kevin King. The 1986-87 Freshman basketball team never gave in and will hopefully contribute to the J.V. and Varsity teams of the upcoming years.

Microbe Basketball

The Microbe Basketball team captured a 13-1 record this year. They started the season by winning the Overbrook Classic and beating their biggest rival Brentwood Academy by 15 points. The Microbes then went on to win 3 games in a row by beating St. Henry's, Northside, and Grassland. The next game was against big rival Brentwood. The 'crobes fell this time 30-37. After the hard loss, they won another 4 games in a row by beating the second M.B.A. team, B.G.A., F.R.A., and Ensworth. This ended the Little Red's conference play. The Microbes were chosen first place in the H.V.A.C. going into the tournament. After receiving a first round bye, the Microbes defeated Ensworth by a score of 54-27. Once again M.B.A. met Brentwood in the championship game. After a hard fought battle with the Eagles, the microbes came out on top after 3 overtimes, by a score of 51-44.

Varsity Wrestling

Back Row (left to right): Edward Lams, Kelsey Fitzpatrick, Andrew Bond, Trajan Carney, Frank Downey, Dan Brooks, Andy Rosen, Todd Wise

Middle Row: Billy Frist, Hampton Carney, Sheldon Griffin, Steve Sowell, Chris Cigarran, Billy Crawford, Chet Frist

Front Row: Matt Bumstead, Jeff Ryu, Greg Downer, Seth Asher, Robert Rollins, Chad Enders

Coming off the tough winter practices, the M.B.A. Wrestling team started the season out right by defeating such teams as Brentwood High School, Dickson County and Hendersonville. Immediately following the mid-term math exam, M.B.A.'s mat men took their annual road trip to the glorious, fun-filled Knoxville, Tennessee to compete in the small but competitive Halls Invitational Tournament. After a two-hour night's sleep due to the ongoing battles between Frank Downey and Greg Downer, the M.B.A. team made up for lost rest between tournament rounds. With ten place finishers, M.B.A. brought home some good hardware. The grapplers then headed into their own weekend tournament. With strong teams from Chattanooga, Memphis, and Knoxville, the competition was fierce.

Having finished the regular dual-meet and tournament season, the team worked hard to prepare for the upcoming District, Region, and State Tournaments. The quest for a berth in the state tournament for the first time in M.B.A.'s own Brownlee O. Currey Gymnasium with the District 8 Wrestling tournament. True to predictions, M.B.A. finished a strong third place behind Franklin and Brentwood Academy. Placing in the district, thus qualifying for the region were Greg Downer at 98, Chad Enders at 119, Robert Rollins at 126, Billy Frist at 138, Trajan Carney at 155, Dan Brooks at 167, and Frank Downey at 185. The Region Tournament at McGavock consisting of 34 teams proved to be as competitive as ever. Greg Downer, M.B.A.'s only #1 seed, wrestled up to expectations finishing second, losing a tough match in the finals. Chad Enders, competing in the tough 119 division, placed fifth, qualifying for the state for the second year in a row. Robert Rollins, at 126, lost a tough match in the quarterfinals, but pulled a huge upset in the consolations to qualify for the state once again. Billy Frist turned in an extremely strong performance losing to a state finalist from Overton to place fourth. Co-captain Trajan Carney wrestled his way to the semi-finals, losing to the best wrestler in the state from White's Creek to place third. The team's other captain, Frank Downey qualified for the state by placing a strong fifth place. Amazingly, all seven region qualifiers moved on to the state tournament, an event that has not transpired in several years.

The wrestlers then had a week of tough conditioning before the state tournament began at UTC's "Big Mac" Gymnasium. After two days of fierce competition with the best wrestlers in Tennessee, Billy Frist and Greg Downer, both sophomores, placed fifth and sixth, respectively. M.B.A. placed a respectable 16th place out of all the schools in Tennessee.

Don't hit that mat too hard, now girls.

Freshman Wrestling

The 1987 Freshman Team: (back row) Billy Lyell, Dan Brooks, Billy Crawford, Alan Hassler, Mark Kerrigan, George Clements; (front row) Lance Carney, Keith McCarthy, Martin Roberts, C.B. Harwell, Peter Shim, Carter McNabb, David Lott

Microbe Wrestling

Coming off last year's H.V.A.C. championship, coach Gaither and first-year coach Friday had their work cut out for them with only four returning starters. The team started as impressively as it finished with an overwhelming victory over F.R.A. Throughout the season, the microbes easily overpowered such conference strengths as Northside and Brentwood Academy, suffering only one loss in neighborhood nemesis Ensworth. Entering the H.V.A.C. tournament, the team had six wrestlers seeded in the top two and placed ten wrestlers, including three champions and three runners-up. Along with champion Keith McCarty, M.B.A. had its first two-time champions C.B. Harwell and Drew Healy. Lance Carney, Todd Locke, and Aaron Vaughn finished in second place; David Frazier and Bo Bartholomew finished third; and Eric Crawford and Martin Jones finished fourth. Chip Ward also wrestled well throughout the season. The team won the championship, beating the second place team by 29 ½ points. Coach Gaither and Coach Friday should be congratulated for an outstanding season, as well as congratulations for the entire team. The 1986-87 microbe grapplers truly defined class, skill, and dominance as they overwhelmed their opponents and upheld another tradition of excellence on the hill.

Hockey

M.B.A.'s second year of involvement in Nashville area hockey was a definite success. Boys from M.B.A., Father Ryan, F.R.A., Brentwood High, and Brentwood Academy were divided into teams and competed against each other in 25 games. M.B.A. players came together under the coaching expertise of Zeff Ahmed and played two games against the Father Ryan team. In the first contest, the Big Red lost a hard fought game 10-4 against a superior Father Ryan team after only two practices. Our goals were scored by Jon Nameth, Willy Johnson, Rob Cheek, and Frank Crowell. Later, the Big Red tried again and tied 4-4. It was a hard fought game in which a larger crowd composed of parents and students gave the needed inspiration to hold Ryan to a tie. Dee Thompson and Chris Shea both scored goals and Willy Johnson added two goals. This year the M.B.A. squad was led by seniors Andy Crowe, Rob Cheek, David Dillon, John Mahoney, Louis Graber, David Rumsey, and Frank Crowell. With four returning scorers, M.B.A. is hoping to continue its success in hockey.

Rifle Team

• The 1987 Rifle Team continued its tradition of excellence at MBA. The A team included Jim Abernathy, Brennon Fitzpatrick, Hunt Nichols, and Temp Sullivan. The B team was made up of Eric Falk, Kelsey Fitzpatrick, Brian Hassler and Thayer Smith. In the state, Hunt was High Individual shooting in two out of three regular season meets and came in first in the state meet. Also in the state meet, Temp Sullivan finished fifth; Jim Abernathy finished thirteenth; Brennon Fitzpatrick got sixteenth; and Thayer Smith came in thirty-fourth. Overall, M.B.A.'s A team finished second in all meets including the state meet.

Spring

Zoning?!?

"Zipadee doo da ..."

In Calculus, it's good looks that count.

What a close-knit senior class!

And this stuff is guaranteed to prevent cavities.

Real athletes win in serious volleyball.

Varsity Baseball

The 1987 varsity baseball team, coached by Hank Hopping and Mark Elliot, finished the regular season with a record of 11-7 overall and 9-5 in the district, this year's team was not expected to be as good as past M.B.A. teams, but it surprised many skeptics by finishing tied for second in the district with Hillwood and Overton.

M.B.A. began the season with a strong 6-2 win over Brentwood High, and then they headed to Florida over Spring Break for a week of hard work and fun. In Florida, the team worked for three hours each morning on their fielding, hitting, and pitching, and after a week of practice, the much-improved Big Red team returned home to Nashville ready to face their waiting opponents. M.B.A. had trouble getting on track, dropping its first three games after returning home, and the early part of their season was marked by frustration by three one-run losses in the first eight games. M.B.A. started playing better, though, and they finished the first half of the season with a 4-3 district record, which included a strong win over rival Overton. The second half of the season proved to be even better for the Big Red, for they went 5-2 and avenged earlier losses to Hillwood, Antioch, and Glencliff. M.B.A. finished tied for second in the district with a 9-5 district record, and a team that many thought would be mediocre this season was proving to be one of the strongest teams in the district.

Since M.B.A. did not win the district in the regular season, it had to win the district tournament or finish second to Antioch (the regular season district champs) in order to move on to the regionals. After losing two coin tosses, M.B.A. was seeded fourth and had to play fifth seed Father Ryan in the first round of the tournament, a single elimination round. M.B.A. beat Ryan soundly behind the strong pitching of Senior Steven Hooper, and so they moved on to the four-team double elimination tournament to face Antioch. M.B.A. lost a heart-breaking pitchers' duel to Antioch despite the combined two hitter thrower by Marc Smith and Steven Hooper. M.B.A. next faced Overton, a game they had to win in order to keep their season alive. Steven Hooper again pitched a brilliant game, but M.B.A. was not quite able to hang on to an early lead and lost 5-3 in eight innings. Despite losing two tough games to end the season, M.B.A.'s year proved to be an exceptional one. After a slow start, M.B.A. never gave up and proved that they were a much stronger team than most people expected.

Bobby Whitson played nearly flawlessly in right and left field, gunning down many runners with his cannon-like arm. Bobby also batted .299, and his steady play and good attitude made him a strong leader of the team. Steven Hooper, who pitched and played second base and center field exceptionally well, compiled a 6-3 record on the mound with a 2.10 ERA. He was the ace of the pitching staff and performed brilliantly in several crucial games. Frank Downey, the first baseman, played well on defense and batted .292. Frank added some power to M.B.A.'s lineup and was a threat to opposing pitchers. Jay Stroman, a pitcher and right-fielder, frustrated many batters with his overpowering fastball, as he helped bolster the M.B.A. pitching staff. Skip Burke did extremely well both in the field and at the plate, and his positive, energetic attitude inspired the entire team. Juniors Brad Reese, Jeff Owen, Mike Morrissey, Jim Harwell, Marc Smith, and Jim Norris and Sophomore Brooks Smith also made great contributions to the team. Reese led the team in batting with a .457 average, followed closely by Owen (.413), Brooks Smith (.361) and Morrissey (.323). Marc Smith batted .275 and pitched extremely well, leading the team with a 1.84 ERA. Jim Harwell was 1-0 on the mound with a 2.33 ERA, and Jim Norris had a 2-1 record. Each player made great contributions to the team and was important in the team's success. Through the players' effort and desire to do well, M.B.A. finished the season with a respectable 12-9 record, having accomplished more than many people expected from them.

JV Baseball

The 1987 Junior Varsity Baseball team, although losing the only two games it played to Brentwood High and Hillwood, gained valuable experience for varsity play. Leading the team were sophomores Jason Burroughs, who manned shortstop, Doug Miles, who played left field, and Forrest Conner, who was the first baseman. The five freshmen on the team also made great contributions: the hard-throwing Jay Ferguson, who started on the mound in each of the team's games; Scott Burrow, who played skillfully behind the plate and also batted well; Richard Arendale, who played adeptly in centerfield; Billy Crawford, who displayed his shotgun arm in right field; and Kevin King who baffled batters with his pitching as well as performed well in the outfield and at the plate.

Microbe Baseball

The Microbes, under the coaching of Mr. Regen, had an awesome season, finishing 7-3. Glenn "Tiger" Harris led the team in batting and pitching, compiling a .667 average at the plate with 3 triples and 4 home runs, and a 3-1 record on the mound, fanning 60 batters in 26 innings. The other hitting leaders included Mark Kolodzieski, who batted .441, Michael Brooks (.409), Bo Thompson (.357), and Tom Underwood (.333). The top pitchers were Harris, Kolodzieski, and David Daniels, who had a 2-0 record with a 2.80 ERA and 15 strikeouts in 14 innings. The rest of the members of this exceptional team included: Southwood, Chapman, Healy, Hyde, Tyrrell, Williams, Teeter, Smithson, Bartholomew, and Carlisle.

Varsity Soccer

The 1987 M.B.A. Soccer Team had been looking forward to its season with great anticipation. After the loss of only two starters and the return of a strong senior corps, the team felt that this was to be our year. Unfortunately, the season began on a low note as the Big Red fell to B.G.A. (0-1) and Hendersonville (1-3). Even though these were two of the top teams in the state, these losses hurt because they were marked by M.B.A.'s poor play and low enthusiasm. Spring Break sent the team to Memphis, where the Big Red defeated Craigmont (5-2), Raleigh-Egypt (3-1), and tied Kirby (0-0). While in Memphis, M.B.A. played one of its best games of the year against Ridgeway. Unlike the openers, this match was marked by enthusiasm, composure, and solid play. The Big Red had to settle for a draw, however, as Ridgeway scored in the final minutes of play to even the score (2-2).

The team returned from Spring Break with a renewed spirit. M.B.A. defeated U.S.N. (3-0) and Hillwood (6-0); but suddenly the old problems resurfaced and the Big Red gave away losses to Brentwood (1-2) and Ryan (2-3). Realizing the trouble, team captains Paul Lentz and Scott Sprague used their leadership to revive what seemed to be a dead season.

M.B.A. demolished Hillsboro (5-1) as Scott Sprague and Chris Hall both scored twice and David Fletcher once. The tempo remained high as the Big Red thrashed McGavock (6-0). Prospects looked good as the Big Red traveled to Overton for the district finals. Despite a beautiful head goal by Tom Gutow, the Big Red fell to the Bobcats (2-3).

M.B.A. found themselves a low seed for the regional tournament. Determined to prove themselves to be better than their record, the team beat Hunter's Lane (6-0) and Franklin Road Academy (4-0) with decisive victories. The highlight of the season was to come in the region semi-finals which saw a match-up between the Big Red and the Overton Bobcats who had triumphed in the district finals. Before a large and rowdy home crowd, M.B.A. played their best game of the year to find themselves tied with Overton at three goals apiece at the end of regulation. The game remained tied after two ten-minute regular overtimes despite the Big Red's obvious control of the game. Just minutes into the first five-minute sudden death overtime, David Fletcher had a long throw-in which Ted Rice headed into the goal giving the team a (4-3) victory. Fletcher finished the game with two goals and two assists. In the region finals against Father Ryan, the Irish drew first blood with a goal in the first half. Despite the brilliant play of injured Scott Sprague who assisted Tim Wallace's header goal which brought the Big Red back into the game, M.B.A. lost (1-2).

This season will be remembered as the "one that got away." M.B.A.'s potential is displayed in its all-region players Robert Willingham, David Fletcher, Chris Hall and region MVP Scott Sprague. The 1988 season will find the Big Red trying to fill the spaces left by the parting seniors.

Varsity Tennis

The 1987 tennis team had another successful season, something they had been accustomed to for the last several years. It had been almost two decades since the Big Red had lost the district tournament and this streak was not to be broken this year. It has been nearly as many years since the team had lost the Region, and again the streak will continue for one more year.

This year's team had the necessary blend of experience and youth which is needed to make it successful. The top six consisted of two seniors, two juniors, and two sophomores. But filling the 7-13 positions were seven freshmen who saw enough action to receive varsity letters. The top six on this year's team were (in order): Fleming Wilt, Bill Cherry, Arthur Henderson, Tommy Frist, Frank Drowota, and Sterling Price.

In the district 24 tournament at M.B.A., the team showed its dominance as it placed all four of its allotted players in the semifinals. The semi-final matches had Cherry playing Frist and Wilt playing Henderson. Cherry defeated Frist by a score of 6-1, 6-1, while Wilt was forced to a third set in an exciting match with Henderson in which the senior, Wilt, prevailed 6-0, 6-7, 6-1. This set up a rematch of last year's district and region championship matches. The match was exciting throughout as both players played well, but the defending state champion, Cherry, overcame a first-set defeat to win: 4-6, 6-4, 6-2. Cherry and Wilt successfully defended their district doubles championship as they defeated the Scales-Cales duo from Hillwood. M.B.A. easily won the team championship by a score of 25-13 over Hillwood.

The following week was the region six tournament held at M.B.A. The opening round was an easy one for the Big Red as all four players advanced to the quarter-final round. In the quarters, Cherry and Wilt rolled to easy wins as expected. The other two matches produced upsets. Tommy Frist, who was expected to receive a state bid, was upset by Whites Creek junior Ronnie Holmes, 6-3, 6-3. Arthur Henderson, however, upended last year's semi-finalist Jason Subin from Overton 6-1, 7-5. In the semi-finals, Cherry beat Henderson, and Wilt beat Holmes. This set up another Cherry-Wilt showdown for the region championship. Cherry won 6-3, 6-3 in a match that had to be postponed a day due to illness suffered by Cherry. In the third-place match, Holmes pinned down the final state bid by downing Henderson, 6-2, 6-0.

The season culminated in the state tournament at Centennial. Fleming started off for the Big Red with an easy first-round victory. In the second round, however, he fell to eventual finalist Lee Burns of McCallie, 6-0, 6-3. The hopes of the team now rested on sophomore defending state champion Bill Cherry. After a first-round bye, he went on to win second and quarter-final rounds easily. In the doubles, Wilt-Cherry won their quarter final match 7-5, 7-5. In the semifinals, a match they had to win to keep the team championship hopes alive, they won a great match over Science Hill 6-3, 4-6, 6-3. In the singles series, the expected great match old rivals Cherry and Matt Turner never materialized as Cherry dominated the freshman from Knoxville 6-2, 6-0. The finals saw the Big Red having representatives in both the singles and doubles. M.B.A. needed only one win and it came in an impressive fashion as Cherry defended his state title defeating Lee Burns, 7-5, 6-0 in a display of excellent tennis. The doubles final ended on a less enjoyable note as the team from Baylor defeated Wilt-Cherry 6-4, 1-6, 6-4. The final team standings were M.B.A. 12, Baylor 11, and McCallie 5.

Microbe Tennis

The 1986-1987 microbe tennis team had a tremendous season, finishing with a record of 8-0. This undefeated tennis team was led by their coach, Mrs. Cameron Lamphier. They won the H.V.A.C. tournament in which no M.B.A. team member lost more than three games. The team beat both Chattanooga powerhouses Baylor and McCallie. For most of the year, the top five players consisted of Andy Stoll, Todd Foust, Malcolm Sewell, Frank Bass, and Jackson Wray. As equally important were the performances of David Fitzgerald, Brian Bradley, Charley Bryan, Brian Bobo, Carle Simmons, Roy Alley, and Greg Jones. With the return of six powerful seventh graders, next year's microbe tennis team should again have a very successful season.

Swimming

The 1987 M.B.A. Swim Team finished its second consecutive season with an impressive 5-1 dual meet record. Since the middle of October, the team practiced every day after school under the direction of full-time NAC coaches. This rigorous practice schedule, much more serious than last year, is most likely the reason for the improvement over last year's one dual meet victory. Returning swimmers Lyle McDonald, Brad Bell, Erik Sundell, Pieter Foster, Robb Ludwick, Tom Benning, Tommy Hayes, John Rawlings, and Andy Crowe, along with newcomers Tab Burkhardt, Matt Foster, Brent Cummings, and Scott Yates, all teamed together with St. Cecilia to form a highly competitive conference squad. Handily defeating rivals Ryan and Franklin several times, M.B.A./S.C.A. also defeated Murfreesboro Riverdale, a year-round team, in January. The only loss suffered was to Oakland High School, by 25 points, but valuable Brent Cummings was unable to attend due to NAC commitments. With this impressive season record, M.B.A. swam in the Conference Meet at Oakland High School February 14. The team struggled early in the meet with Franklin and Oakland, but came away with a well-earned second-place trophy out of 10 teams, losing only to powerful Brentwood High. Earning Conference medals for M.B.A. were Erik Sundell (3), Pieter Foster (3), Brent Cummings (3), Robb Ludwick (3), Brad Bell (2), Tommy Hayes (1), Tom Benning (1), Scott Yates (1), and John Rawlings (1).

The team is very proud of every medal since each person can swim only three events. On February 21, the seven team members with qualifying state times traveled to Knoxville for the State Meet. Qualifying for M.B.A. were Brent Cummings (3 events), Erik Sundell (3 events), Pieter Foster (3 events), Robb Ludwick (3 events), Tommy Hayes (2 events), Scott Yates (1 event), and John Rawlings (1 event). Though M.B.A. was not expected to place highly in the state, sending seven swimmers to the state meet was quite an accomplishment in itself. The team hopes to improve even more next year, and though senior powerhouse Erik Sundell will be gone, the rest will certainly work hard to fill any gaps. M.B.A. should be proud of such success from this two-year old team, and the members, as well as the determined, encouraging, and organizing mother Mrs. Elly Foster, deserve congratulations.

Varsity Track

Although this year's edition of Varsity Track had a slow start in the dual-meet season, the team seemed to explode come the big-meet season. The latter part of the season saw many M.B.A. athletes surpassing past records and competing well with many fine Nashville athletes.

Before spring break, the M.B.A. track team had bad luck against Hillwood, getting beaten by 29 points. After spring break, however, despite recent bacchanalian revelry for the seniors, the team rebounded to a first-place finish versus Oak Ridge and Pearl-Cohn in a triangular meet. The next week, M.B.A. hosted one of the more interesting meets of the season: the Nashville Doug Hall Memorial Relays. This meet was different in that all events (including field events) were relays. Out of twelve AAA teams, M.B.A. pulled out a strong second place, only behind state powerhouse Whites Creek. Then, M.B.A. had a rough time in the claws of the Overton Bobcats in a dual meet, getting downed by 28 points. The same week, however, M.B.A. crushed Hillsboro 85-52. That Saturday, the Big Red proceeded to Chatanogga for the Mid-South Classic, a private-school meet in which M.B.A. finished fifth. The most impressive performance was by Rob Barrett, who by finishing first in the 200-meter dash with a 23.1 was the first M.B.A. runner in 20 years to get an individual first place at this exclusive meet. Then, the dual/Triangular meet season ended with a big disappointment where Brentwood Academy had 73.3 points to M.B.A.'s 72.7 and Glencliff's 29.

Then, the big-meet season was here to stay. M.B.A. participated at Overton in the Optimist Relays, which would serve as the Metro/Davidson County Championship. M.B.A. placed a sound sixth place out of 17 teams. The next week, the team participated in the Banner Relays at McGavock. This meet, for the first time ever, invited teams not only from Nashville, but from the mid-state in general. Obviously the meet was competitive with 1400 athletes from 53 teams. M.B.A. finished fifth with 37 points. The next week at McGavock was the TSSAA region 3-AAA meet, one of the most important meets of the year not only because it draws the most competitive teams from Nashville and Middle Tennessee but also because the top two finishers in each event go to the state meet. Zibas was the first M.B.A. runner to qualify for the state meet in five years, and probably the first double-event qualifier in the state meet for M.B.A. ever. Qualifying for the finals but not placing was the 800m relay team of Michael McNally, Emmett Russell, Johnny Thompson, and Alden Smith. This team set a new record with a time of 1:31. The highlight of the meet, however, was definitely the fact that Michael McNally and Steve Zibas qualified for the TSSAA AAA State Meet at M.B.A.

In the state track meet, M.B.A. was led by Steve Zibas, who placed second in the 1600 and second in the 3200. Michael McNally contributed with a tie for third place in the pole vault.

Johnny Thompson easily clears a hurdle.

What's this! Jonathan Cole beating a girl?

Rob Barrett's speed blurs the background behind him.

Freshman Track

The M.B.A. Freshman track team performed very well this year in spite of the numbers participating. Field events were definitely the strength of the team this year. Alden Smith and Matt Inman were both very successful in the pole vault all year, and in the City Championship, they finished first and second respectively. Dan Brooks and Allan Hunt covered the throwing responsibilities. Hunt placed first in several dual meets and went on to capture fourth in the city. Dan Brooks, who broke the school freshman record early in the season and continued to break his own record each consecutive meet, placed second in the city. In running events, Alden Smith and Allan Hunt carried out the sprinting duties, and Smith participated in the varsity regional meet in the 4x400 relay at McGavock. The distance events were handled by Andrew Duthie, Caleb Lucwick, Bobby Garth, Jay Bradford, and Brandon Barrett. Jay Bradford performed consistently well in the mile, winning almost every dual meet, and the 4x800 relay of Garth, Ludwick, Duthie, and Barrett, was also very competitive.

Microbe Track

At the H.V.A.C. Relays, M.B.A.'s Junior School track team performed even better than expected but still fell short of Brentwood Academy, who won the meet with 155 points to M.B.A.'s 137 points.

In the high jump, Alex Waddey won 2nd place, Carter Baker 3rd place, and Jay Carlisle 4th place. In the long jump, Brian Norment won 2nd place with a jump of 17'8", Eric Crawford won 3rd place, and Baker won 6th place. In the pole vault Keith McCarty vaulted 9 feet for 5th place. In the shot put and discus Chris Vlahos threw by far his best of the season, but had to settle for second place with throws of 121'9" in the discus and 45' 4 1/2" in the shot. Chip Ward was third in the shot put, and Aden Lara was third in the discus.

All three relays ran by far their best times, as the 4x400 relay defeated their nearest competitor by 2 seconds, but due to a technicality after a hand off it was disqualified from its 1st place finish. Crawford, Carlisle, Josh King, and Norment were brilliant in this performance. The 4x400 relay cut 6 seconds off its previous best, but still finished in 3rd place.

In individual running events, Carlisle finished third in the hurdles, Baker 5th in the 400 meters, Waddey ran a 12.1 to finish 2nd in the 100 and McCarty was 5th. Casey Jones finished 2nd in the 1600; David Hays finished 2nd in the 800. M.B.A. had 3 of the top 5 runners in the 200 meters as Carlisle, King, and Norment finished 2nd, 4th, and 5th in that event.

This was the first time in many years that M.B.A. has had such a balanced team and talented team. The M.B.A. microbe track team finished the season with a record of 11 wins and 1 loss.

Assemblies

Mr. Bondurant (a security guard) makes sure the throng does not rush the stage.

Guest speaker talks about the importance of saying "No" to drugs.

Joe Gilliam tells of his struggle to overcome drugs.

The 1986-87 school year proved to be a productive one for the M.B.A. Student Council. The Council focused their attention in three main areas: events, relations, and service. The Council sponsored two successful social events: one, a "Beech Party" after the thrilling Beech football game; and two, the annual Valentine Exchange with Harpeth Hall and St. Cecilia. The Student Council also sponsored a duds-day in the spring of '87, giving the students an appreciated break from the dress code.

Student-faculty relations on the Hill took a giant step as the Council voiced the opinions of the student body directly to Mr. Drake. The Student Council and the administration worked together to allow tennis shoes at athletic events and to draw up new rules for the Roberts and History rooms. In the area of community service the Council continued to participate in the Holy Name Church Soup Kitchen. A sock and underwear drive for the Salvation Army and a duds day for the Special Olympics were also held and were very successful. The 86-87 Student Council would like to thank Mr. Drake, the Administration, the faculty, and, above all, the student body for a great year.

Honor Council

Back Row: J. Riven, A. Rice, A. Patterson, S. Jobe, B. Crawford, G. Clements, W. Southwood, M. Bumstead; Front Row: T. Jackson, T. Carney, J. Thompson, C. Gayden

The Honor Council is regarded as one of the most important instruments in making Montgomery Bell Academy a fine institution. Founded in 1945 by Dr. R.L. Sager, it has enforced the Honor Code which states that no student shall lie, cheat, steal, or deceive. The Honor Council is made up of elected representatives from each class. There are four senior officers, three juniors, two sophomores, two freshmen, and one Junior School student sitting on the council.

The council hears cases brought before it, determining the guilt or innocence of the accused, and, if the accused is found guilty, declaring a suitable punishment. The Honor Council of 1986-87 was ably led by President Johnny Thompson, Vice-President Trajan Carney, Secretary Travis Jackson, and Treasurer Claiborne Gayden. The Honor Council was pleased with the fact that in the 86-87 school year very few cases were brought before the council. The council thanks the student body for making M.B.A. a place of honor.

F.C.A.

The 1986-87 Fellowship of Christian Athletes chapter at M.B.A., under the guidance of President Johnny Thompson, Vice-President Gantt Bumstead, Secretary David Spickard, Treasurer Tim Hamling, and Sponsor Mark Elliott, began the year with a retreat at Johnny Thompson's farm with Harpeth Hall's F.C.A. Around 80 people enjoyed a day of sharing, riding horses, playing volleyball, and hearing a mini-concert from Contemporary Christian singer Scott Roley.

The Thursday night meeting formats could be characterized in three ways: a night for discussion, a night for recreation, or a featured speaker. During the first semester, the huddle discussed many aspects of Christianity such as the will of God, growing in Faith, a Christian's role in the world, and sex and dating. Other highlights of the meetings were: a joint meeting with Harpeth Hall's F.C.A. at Sandy McCleod's home, which 120 people attended; a pot-luck dinner at Tim Hamling's home; and a night of recreation in the gym. The semester's meetings culminated in a lock-in at Christ Presbyterian Church with Harpeth Hall's huddle.

The second semester's meetings began with a rousing talk from Steve Robinson, the director of Middle Tennessee's F.C.A. The huddle also enjoyed a triple meeting with Harpeth Hall and St. Cecilia Academy at St. Cecilia. Another highlight was the F.C.A. Awards Banquet at which Steve Bartkowski, an NFL Quarterback, spoke. Culminating the year was the city-wide F.C.A. retreat, hosted by the M.B.A. huddle at the Thompsons' farm. F.C.A. huddles from all over the city attended the retreat.

Prom '87

The night began with a Bacchanalian feast at Hillwood Country Club where the seniors and invited guests dined in the honor of the class of '87. The men of the hour were then limousined to the Brownlee O. Currey gymnasium. Under the leadership of construction chairman David Frederiksen, financial wizard Ed. B. Bueno, and art designers Sean Dudley and John Gupton, the gym was transformed into a western saloon, fully equipped with swinging doors and hitching posts. The Wigs, arriving early of course, blasted the night's revelers out of the gym and into the parking lot where the music sounded pretty good. At the end of the dance, the night was far from over with all classes scrambling to their individual breakfasts, houses, and parties where they could reflect on their memories, or those yet to come.

Memories . . .

Some were in love.

Some were having a good time . . .

You could usually tell who was having a good time . . .

A real good time.

Well, not all were having a good time.

And for some, this is as good as it gets.

Totomoi

Since its founding in 1954 by Dr. Sager, this M.B.A. honorary fraternity has conducted tapings in the fall and spring of each academic year. Members are inducted on the basis of their outstanding achievement in any three of the following areas: athletics, citizenship, dramatics, forensics, organizations, publications, scholarship, and student government. Totomoi represents the ultimate achievement of an M.B.A. student. In the fall, presiding members Travis Jackson, Johnny Thompson, Brennon Martin, and Charles Mayes welcomed new members Gantt Bumstead, Tom Humphreys, Bobby Whitson, and Trajan Carney into the fraternity with rousing pats on the back. This spring Juniors dominated the induction in numbers as David Spickard, Jay Knowles, Steve Jobe, and Edgar Bueno were introduced into membership, but the induction was definitely high-lighted when Mrs. Bowen was tapped before a standing crowd of students and faculty members. By upholding their motto: Honor, Loyalty, and Service, the members of Totomoi serve as examples to all the school.

Cum Laude

Cum Laude members are: (left to right) Chas Hewgley, Clark Geddie, John Joe, Robb Ludwick, Brennan Martin, Bill Penuel, Christopher Fly, Charlie Hailey, Jay Reynolds, Steve Jobe, Charles Mayes, Tom Humphreys, Sunil Malkani, Eric Sundell, Raju Reddy, Kyle Rogers, David Chen, Jiannbin Shiao, Kenji Kono

Chorus

The 1986-87 chorus did a complete about face under the one and only Michael Kemp. Mr. Kemp and some fifty students worked together to build a new choir, one that was strong, bold, and flashy. A chorus of men not wimps. The chorus adopted the song "Stouthearted Men" as their theme song and put on an excellent fall concert for the student body. A crowd favorite was the newly adopted M.B.A. fight song, written by Coleman Harwell. The highpoint of the year was at Christmas time when the chorus virtually stole the show at the Harpeth Hall Christmas concert despite being in a guest role. A week later, at Westminster Presbyterian Church, the chorus put on its own show entitled "The Essence of Christmas." It proved to be an enormous success. Finally, the chorus finished off the year with stellar performances at the Father-Son Banquet and at graduation. Thanks go to pianist Mrs. Marion Ross, who worked with Mr. Kemp to mold the revamped chorus. A tradition of choral excellence has begun and may it continue forever.

Outing Club

The Outing Club is an organization that seeks to meet the students' yearnings for outside, recreational activities. The activities provide the student with a chance to experience exciting weekends with friends, seeing and enjoying nature. For some, the club provides new experiences such as hiking, bicycling, spelunking, and rafting. This year the Outing Club explored Buggy Top Cave and Lost Creek Cave. The faculty sponsor, Mr. Womack, says that the key is student involvement. The more students get involved, the more the Outing Club can do. If the Outing Club gets needed support it will be possible to make many exciting excursions in the future.

Art Program

Ultimately, it is important to realize that in dealing with the art program of Montgomery Bell Academy in the era of 1986-1987, one must contend with a wide range of approaches toward art.

Obviously, the guiding force of the art department is Mr. Jim Womack. Born sometime amid the squalor of the mid-twentieth century, he was exposed to the forces of liberalism and radicalism prevalent during the 1970's. The influence of these forces are expressed in his work, especially in comparison with the slowly-disappearing old guard.

In said era, a more structured form of studio art class was introduced. Still a credit course, studio art joined Art History, as a recognized Advanced Placement course with more organized instruction and grades. Many dedicated students opted to take the course, forgoing the eighth period and gaining the five course minimum demanded by the evil forces of T.S.S.A.A.

The Montgomery Bell Academy art program remains unsurpassed to this day as an outlet of creative expression for the errant student. For those wishing to cultivate any artistic talents and to become a part of history, the M.B.A. art program in any of its incarnations will eagerly fill the need.

Big Red Club

As usual, this year's Big Red Club remained one of the most popular organizations on campus. The club was led by officers Steven Hooper, Paul Lentz, Frank Downey, and Trey Spence. Historically, the Big Red Club has assumed a leadership role in firing up the M.B.A. student body during the athletic seasons, and this year was no exception. Their influence was felt beside the wrestling mat, from right field, and from the stands.

In addition to boosting support, the club once again provided a very successful Homecoming Dance following a rout of Glencliff. Loius Graber's "Eat This, Alien" was outstanding, providing great music and a Homecoming celebration worthy of a successful football season.

The 1986-87 Big Red Club was committed to increasing the levels of enthusiasm and loyalty on the M.B.A. campus, and the students and faculty responded with incredible support. The pride remains.

Cheerleading

This year's cheerleading squad began back in April 1986 with tryouts. The female members chosen were: seniors Chris Topley, Mimi Baker, Wendy Bryan, Christina Varallo, and Reed Harwell; and sophomores Carter Murray and Eleanor Jones. Males selected were: Louis Graber, Chip Blaufuss, Joe Rich, Bill Hitt, Tim Wallace, Alan Brown, and Tom Harwell.

The team prepared for the '86-'87 year by attending cheerleading camp at M.T.S.U. in Murfreesboro. The squad provided loyal support to both the football and basketball teams throughout their seasons. The success both these teams enjoyed was due in part to the rowdy crowds of M.B.A. fans, urged on by Big Red cheerleaders. The squad would like to thank Mrs. Owen and Mrs. Hitt, who worked with them and advised them throughout the year.

Debate

The 1986-1987 debate team continued the rich tradition of excellence in forensics in what proved to be a very successful year. Seniors T.A. McKinney, John Joe, and Christopher Ptomey provided a triumvirate of team leadership and experience well supported by juniors Tom Rogers, Braxton Perkins, and Burt Fulmer.

M.B.A.'s top varsity teams consistently were among the top in the nation. The team of McKinney and Joe early in the year placed fifth at the North/South Round Robin. The team of McKinney and Rogers proved most successful with performances of semifinals at St. Mark's, second at the Baylor University Round Robin, second at Princeton, Ohio, fourth at the Glenbrook Round Robin, and quarterfinals at the Tournament of Champions. Individually, T.A. McKinney won several speaker awards, including fifth at Wake Forest, first at Samford University, and first at the prestigious Barkley Forum held at Emory university. Other speaker awards went to Burt Fulmer, who placed first at Homewood, Tom Rogers, who placed third in New Orleans and first in the state, and Braxton Perkins, who placed second at Albuquerque.

Other team victories of note were the following. Juniors Rogers and Perkins won the state championship for the second year in a row. Jay Kahlon and Jonathan Reeve won first place in a tournament in South Dakota. McKinney/Rogers and Fulmer/Perkins finished first and second in the N.F.L. state district and both competed in the N.F.L. national tournament in Cincinnati last June.

Novices Hal Jones and Eugene Park proved to be one of the top novice teams as they competed in the prestigious Glenbrook North Novice Round Robin.

The Bell Ringer

This year's BELL RINGER staff published one of the finest volumes in the newspaper's history. With a relatively inexperienced staff which had only one returning editor from last year, the staff worked diligently to publish the best paper possible. The BELL RINGER year was kicked off with the publication of a ten page issue on the first day of school. Other highlights featured the publication of four more issues throughout the year and the "involvement" in the Boner-Holcomb scandal, when Congressman Bill Boner made some comments about Holcomb while speaking to an M.B.A. government class on the hill.

The newspaper once again featured the running of the eighth annual BELL RINGER Bike Race, with the most competitive field ever and a new, fairer system of scoring. The BELL RINGER was characterized by a strong editorial section each issue and a reduction in the length of articles. The biggest accomplishment of this year was the move to the use of a computer to lay out the pages on the last issue. The graduation issue was twenty-four pages—the longest in BELL RINGER history. In general, this year's paper was both informative and interesting.

Letter from the Editors

spring comes. beneath dead leaves, dormant things, blossoming, ready to explode. the young man's mind comes alive. the search for something new: past, present, future. the search leads to discovery. the discovery leads to a need, a need to share words and images. evoking creativity. breaking the bounds, uncovering new ground. not just letters or lines on a page. something to be seen and undergone. (see into the minds). escape to . . . Disappear here

Year at a Glance

July 31	Team Meeting
Aug 2	Test Day
Aug 28-29	REGISTRATION—Seniors meet new student Bjorn Nordquist
Sept 1	LABOR DAY—Students enjoy last day of summer
Sept 2	Students meet teachers
Oct 10	HOMECOMING—Fans arrive to "chow down" and to watch the Big Red break the colts
Oct 11	HOMECOMING DANCE—Eat This, Alien enthralls the audience. Special thanks to "bearded clam" backdrop designers (Penn, Fitz, Hooper, Bumstead, Downey)
Oct 31	Big Red claims District 11-AAA championship for the second year in a row. MBA 21—Overton 7
Nov 26-28	Turkey Time!!! (Except for Wrestling Team)
Dec 15	Several Students earn early admittance to college. Senior Slide begins
Dec 19-Jan 5	Santa Claus is coming to town (Except for Wrestling Team)
Jan 16-23	EXAMS—A week with ½ days
Feb 20-21	State Wrestling Tournament—MBA sends new record of 7 grapplers to tournament with Billy Frist and Greg Downer placing.
Feb ?	Seniors enjoy Shakespeare Pre-play at Deli Junction
March 10	Basketball Team plays in Substate for the 1st time in its history. Bumstead sets new track record— Gallatin to Nashville in 5 minutes
March 12	SPRING BREAK—Haiti, Captiva, clearwater, Freeport, Springfield
April 25	PROM—"The Band sounded pretty good from the parking lot."
May 13	AP Biology students stuff their faces at Dr. Ward's house
May 21	Final Exams begin
May 25	Bumstead-Downey Business Trip begins
May 30	COMMENCEMENT—We're out of here!
June 1	Editor staff slide begins
July 14	Last remaining editor abandons post and leaves the BELL for dead
Sept 19	Editors for BELL '88 attempt to revive BELL '87

Special thanks to the following people without whom this annual would not have been completed:

Dr. Crowell
Chris Cigarran
David Fletcher
Paul Moffat
Thayer Smith

Jay Binkley
Andy Coulam
Rhoads Hall
Chris Petrie
Chris Wayburn

Matt Bumstead
Andrew Duthie
David Haslam
Chuck Resha

... and of course the 1987-88 BELL staff:

Rob Barrett
Charlie Hailey
Emmett Russell

David Frederiksen
Chas Hewgley
Rob Westermann

Tom Gutow
Jim Norris

In Memory

Phoebe Cutler Greene

Nov. 23, 1900-Jan. 31, 1987

For all of her days, Phoebe Greene has enriched the lives of those around her. Her early years as an assistant to the curator of prints at the Cleveland Art Museum and as a teacher of art history endowed her with a love of beauty that she shared with others with the annual display of her personal collection of fine art reproductions.

Mrs. Greene and her husband, Dr. Theodore Greene, served as medical missionaries in China from 1926 to 1951. Throughout the revolutions and wars, their Christian love triumphed over all hardships.

To the young men of Montgomery Bell Academy, she served as a remedial reading teacher and a good friend. She was responsible for remarkable improvements in students' learning ability and self esteem. Up until the time of her death, she was active in helping young people. Mrs. Greene was renowned for her ability to pinpoint and remedy learning difficulties.

She was truly a blessing to all those who were fortunate enough to know her. Even though she has left us in the fullness of her years and in the assurance of the final resurrection of the just, we cannot help but feel that one of the bright and shining lights of our community has been extinguished. Her modest and caring ways have made us all better people. For the passing of her light, hundreds more have been kindled in those whose lives she touched.

With Love and Affection
Generations of Friends, Students, and Colleagues

Editor's Note

Well, here it is; the annual is finally finished (by the class of '88—Ed.). As you sit back and read the BELL, we hope you will appreciate the time and the effort so many people put into this little reminder of the 86-87 year at M.B.A.; and what a year it was. Capturing the events and the people is not an easy task. At first, the annual glided along; we worked during studyhalls and 8th period. Then, the glide turned into a nosedive; while trying to layout the pages, we found many of the pictures and even articles "missing." Luckily, we were able to overcome these obstacles and pull the BELL out of its nosedive right before it hit the ground (yeah, in your dreams—Ed.). The BELL is complete; and if asked to do it all over again, we can honestly say NO!

Special thanks to:

- Everyone who wrote an article or took a picture
- The class of 1988, without whom you probably would not have this book in your hand
- The staff for their help
- All the people who helped layout—you know who you are
- Dr. Crowell for his time, and patience

Class of 1987

As we sit down in an attempt to summarize the class of 1987, the great diversity of the people becomes apparent as it does with all classes. Yet this class is so extraordinary because each used his talent, whatever it may have been, to the best of his ability. Although many seemed to have nothing in common, the responsibility of being a senior at M.B.A. bonded them together in a special way.

The seniors led the athletic teams to a new level of competition with many teams not only participating, but being competitive in state tournaments. Exemplifying the renewed will to win were the tennis state champions, the football District champs, and the miraculous playing of the basketball team who advanced to the substate for the first time in M.B.A. basketball history. The 1987 class also excelled in other areas outside of the sports arena. The debate team had another successful year defeating most of the nation's top teams. Led by the service club, the class extended a helping hand to the needy.

Proof of our success is reflected in the high number of academic and athletic scholarships that were won by many seniors.

A short course in human relations

The best short course in human relations we've heard about is the one published by columnist Norton Mockridge: "The six most important words in our language are, I admit I made a mistake. The five most important words are, You did a good job. The four most important words, What is your opinion? The three most important words, If you please. The two most important words, Thank you. The single most important word, We. And the least most important word, I."

Congratulations graduates,

BILL TRICKETT
OLDSMOBILE HONDA
1823 Gallatin Rd., across from Rivergate, 868-1870

NFIB Speaks for America's Biggest Business... Small Business.

NFIB — the National Federation of Independent Business — brings the concerns and opinions of small and independent business owners to Congress, the federal agencies, the White House and all 50 state capitals.

NFIB is one of America's largest membership organizations... nearly 600,000 strong.

We don't take our positions lightly. Members are polled regularly on issues affecting their businesses. The majority response is the position NFIB lobbyists carry from the grass-roots membership directly to federal and state lawmakers.

And we don't stop there. NFIB is a research organization too. NFIB Quarterly Economic Reports accurately predict trends in the nation's employment, Gross National Product and inflation.

In recent months, we've published special studies on small business banking

and credit, the major problems and priorities of the small and independent business owner, the special concerns of small business people in urban areas, and more.

Small business is America's biggest business, employing more than half the non-government workforce and producing almost half the GNP.

Small business owners are active in civic and political affairs. And we represent more of them than any other organization.

That is why... *when America's lawmakers hear from NFIB, they know they've heard from American business.*

NFIB National Federation
of Independent Business
